BRINK&CAMPMAN COLLECTION

Dear customer,

The trend to focus and reconsider continues to grow.

The new Brink & Campman Collection

is tranquil and durable, designed to convey our company's biggest strengths. Made with natural materials, woven into sumptuous textures or patterned in a bold yet chic manner, the new additions to our collection could not have represented Brink & Campman in a better way.

Searching for a moment to regenerate, any interior will become a place to unwind when complemented with the perfect rug.

Enjoy our new collection!

Sjouke Jan Zwarthoff
Director/CEO

Geachte relatie,

De trend om te focussen en reflecteren zet door.

De nieuwe Brink & Campman Collection

heeft een serene en duurzame uitstraling, ontworpen om de sterkste kanten van ons bedrijf uit te lichten.

Gemaakt met natuurlijke materialen, geweven in weelderige texturen of gedessineerd op een gedurfde maar toch chique wijze, zouden de nieuwe toevoegingen aan onze collectie geen betere vertegenwoordiging van Brink & Campman kunnen zijn.

Op zoek naar een moment om op te laden, zal elk interieur een plek worden om tot jezelf te komen wanneer het voorzien is van het perfecte vloerkleed.

Geniet van onze nieuwe collectie!

Sjouke Jan Zwarthoff
Directeur/CEO

MADE IN HOLLAND

A rug made by the tuft robot

MADE IN HOLLAND

Made in Holland

Next to the office, our Brink&Campman factory is located in Lichtenvoorde, Holland. A big part of the rug collections are produced here by skilled professionals on axminster looms and tufting robots. High-quality wool is felted here into a beautiful yarn, from which among others the Dots rugs are being woven. A truly Dutch product!

Lifting the rugs

Made in Holland

Naast ons kantoor staat ook de eigen fabriek van Brink&Campman in Lichtenvoorde. Met behulp van axminster weefgetouwen en tuftrobots wordt hier een groot deel van onze collecties door vakmensen vervaardigd. Ook onze wol wordt er gevold tot een mooi garen, waar onder andere de Dots kleden van geweven worden. Een op en top Hollands product!

ORLA KIELY

ORLA KIELY Rug Collection

My passion for mid century design has informed all aspects of my work and the products that have evolved. From our ready to wear, handbags and accessories to watches, jewellery, stationery, homeware and home textiles. The references are subtle but integral to our house style.

Often perceived as retro, we reinvent and aspire to newness, my colour palette evolving to build modern on modernism! Drawing, refining and simplifying organic elements into perfect motifs that are then repeated to build rhythmic patterns for everyday applications. A mug, a storage jar, a bathroom towel, modest everyday essentials all deserve and require an attention to detail equal to that we give to a leather handbag or a silk dress. The philosophy and principles remain the same. The integrity ever present.

To be enjoyed everyday.

FLORENCE BROADHURST

FLORENCE BROADHURST Rug Collection

Risk-taker par excellence, style maven extraordinaire, Florence Broadhurst's most exhilarating legacy is a design archive that continues to make waves around the world today. Between her birth in 1899 in a rural corner of Australia's Queensland and her unsolved murder at the age of 78, Florence lived a series of vivid, fantastic lives. She spent the roaring Twenties singing across the Far East's colonial reaches and ran a finishing school in Shanghai. In London, she became "Madame Pellier", a French couturier who dressed the rich and famous. She moved back to Australia as an aristocratic English lady and landscape painter. At the age of 60 she did it again, launching her defining venture - a luxury, hand-print wallpaper business. Everywhere she had been and everything she had seen found voice in a whirlwind of creativity. Internationally recognised by Time magazine, Florence's spirit of adventure and flamboyance continues through her extensive archive of designs, ranging from tapestries to geometrics, florals, and delightfully eccentric chinoiserie.

This stunning, high-quality Florence Broadhurst handtufted rug collection from Brink and Campman, combines classic elegance with a contemporary interpretation of her iconic designs into a collection that is timeless as Florence herself.

TED BAKER

TED BAKER Rug Collection

Ted's appreciation for a beautiful rug began on the snowy summit of the Altai Mountains in Siberia. Seeking a light bulb moment and a breath of fresh air, he stumbled (quite literally) upon a magnificently embellished piece of carpet, buried under a snow-capped rock.

Inspired by the stylish scrap of tapestry found at 4,000 feet, each rug in this collection is lovingly handcrafted, weaving Ted Baker's signature eye for style with Brink & Campman's craftsmanship. With iconic prints and head-turning colours, these fashionable foundations offer wall-to-wall flair and make every house a home.

Est. 2009 Fi started Bluebellgray on her kitchen table with a collection of just 6 cushions. Nine years on, Glasgow School of Art graduate Fi has grown Bluebellgray into an internationally renowned print studio offering a full lifestyle collection stocked in the best department stores and design boutiques in the world. Now with a team of 14 in her Scottish studio and a mother to two young boys, Fi's original hand painted watercolours remain at the heart of the Bluebellgray brand.

Dit ondertapijt zal voor een langere levensduur zorgen en u verzekeren van uw garantie op het vloerkleed. Bovendien werkt het warmte isolerend en geluiddempend, is het geschikt voor vloerverwarming en zal een ondertapijt het algemene comfort aanzienlijk verhogen.
